

# GATHER WOOD AND CONSERVE COAL

The following appeal to the citizens of Ohio to conserve coal and use wood for fuel in its place has been received here by Henry G. Beam, chairman of the Knox county fuel saving committee:

"Burn Wood and Save Coal" is the war cry along with the "Cut a Cord" and "Order your Coal Now" slogans. Ohio has more than 4,500,000 acres of standing timber and a large quantity of down stuff, of which a goodly per cent has no present or future value except for fuel—1,000,000 cords of wood goes to waste every year in Ohio.

One of the greatest bulwarks of our liberties in this war is COAL, and unless we can deliver, with celerity, sufficient to keep the bunkers of the ships and munition factories supplied we endanger them.

These are war times and our country is short of coal. Saw wood, with silent determination, and look a serious situation in the face. We mined 50,000,000 extra tons of coal last year, but it was used in manufacturing munitions and war supplies, and by the railroads and ships in transporting our soldiers and what they required "over there."

It is estimated that there will be a shortage of from 75 to 100 million tons of coal the present year. The railroads cannot possibly haul as much as we need and it may be we are facing a serious fuel shortage next winter. Part of this shortage must be made up by the use of wood, instead of coal.

There is plenty of wood in this state, and it is practicable for the countryside, villages, churches, schools, and a great number of city folks to use it, so the home fires may be kept burning and we should anticipate our wants.

Munition and most other factories cannot burn wood; railroads and warships cannot burn it, nor, because of transportation problems, can people in the city, where it would have to be carried to them by the railroads.

You who live in the rural communities should gather wood for your

next winter's fuel. This is your patriotic duty. You can save great quantities of coal if you will burn wood fuel. Its use will not require but little, if any, change in your heating system, to burn it, so make it your business to see that your community is awake and doing its bit.

The farmer who drives a wagon to town and takes it back with a load of coal is driving in the wrong direction—he is a slacker; we do not need that kind.

The men who would like to burn coal because it is easier and handier, but who think enough of their country and the boys "over there" so that with their axes and saws, cut wood, in order to save coal, are helping to fight the war.

Rural schools and churches, as well as homes, should restore the old wood pile, and make themselves sure of warmth next winter. There are lots of no account trees and logs and limbs and other timber that have no value except for fuel, which should be gathered at odd times, and with a buzzsaw, driven by steam, gasoline or horsepower, converted into wood.

Start a movement; tell other people, influence them to help. Every progressive, patriotic person in each community must stir things up and through united efforts of all in gathering every piece of wood, no suffering for warmth should come to any home.

This is not a time to think of profits, yet wood can be handled at a profit from producer and middleman to the consumer.

You know your own local conditions better than anyone else. There shall be formed through the homes, neighborhoods, communities, schools, churches, townships, counties, and the state one gigantic "union there is strength," insuperable organization, for gathering and using firewood, to conserve coal.

In patriotic praise of the power that gave us our liberties, a nation, we shall stand ready to make whatever sacrifices that may be necessary to help our soldiers and sailors "out there," to preserve them.

# KNOX CO. BOYS MEET OVERSEAS

Nelson Sapp Writes; Sees Martin, Mason And Ward

MAY DRIVE TRUCK NOW

Stationed At Pauillac Gironde, France; Praises Camp

The following is an extract from a letter written by Nelson Sapp, second class seaman, U. S. naval aviation forces, who is now in France, near Bordeaux, to Frank McPeck. Sapp enlisted during the early part of the summer and for a time was a gunner on the steamer Mongolia:

"Arrived here all O. K. Had a fine trip over although the sea was pretty rough the second or third day out, but did not get seasick.

"After we arrived we had a two days' ride on the train and finally arrived here at Pauillac Gironde. This is a good camp, with shower baths, a good place to sleep and good eats.

"There are three boys here from Mt. Vernon: 'SI' (Ralph) Morton, the paymaster, Walter Mason, and Glenn Ward, a first class yeoman, who lived near Brandon.

"I qualified this morning as a Pack and truck driver.

"How is everyone at home? Tell some of the fellows my address, for I haven't much time to write and I know they have.

"We get liberty to go to neighboring towns every fourth night and liberty to Bordeaux every two weeks.

"I am only allowed to write two pages for the censor has no time to censor more.

"Your friend,

"SAPP.

"Nelson Sapp,

"Seaman 2nd, U. S. N. R. F.,

"Pauillac Gironde, France,

"Care Postmaster, New York City."

Cause of Dependency

Dependency is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Tablets are taken. These tablets strengthen the digestion and move the bowels.

PREPARE BIBLE COURSE

That those who are not regular churchgoers may be instructed in the Bible, a three months' course of study in the book of Revelations will be taken up in the G. A. R. hall beginning Saturday, July 6, and to be continued weekly. The meetings will start at 3 o'clock.

# A Traveling Man Cured

P. B. Counterman, a traveling man of Joplin, Mo., writes: "Twelve years ago I was a great sufferer from stomach trouble. I tried nearly every medicine I could hear of, among them I used fifteen bottles of one popular preparation, but never found anything that did me any permanent good until I took Chamberlain's Stomach and Liver Tablets, which have effected a permanent cure. It has now been five years since I took these tablets, and I have had no more stomach trouble during that time. I have recommended Chamberlain's Tablets to a great many sufferers with stomach trouble, and traveling salesmen, and have met many of the boys on the road that are afflicted with disorders of the stomach as they have to put up with all kinds of half cooked grub at the different country hotels, which is one cause of this dreadful disease."

men, and have met many of the boys on the road that are afflicted with disorders of the stomach as they have to put up with all kinds of half cooked grub at the different country hotels, which is one cause of this dreadful disease."

Miss Helen Doup, Miss Juanita Weider, Miss Ruth Gilmore, Harold Weir and Dwight Gilmore spent the Fourth of July at Darling's Grove, near Fredericktown.

Miss Florence Parrish of East Vine street accompanied her sister, Hazel, home from Columbus Thursday, where the latter underwent an operation.

Harold Trott and Miss Ethel Poorman spent Thursday at Buckeye Lake.

# BLADENSBURG

BLADENSBURG, July 3—Glenwood chapter, O. E. S., was inspected Monday evening by the deputy grand master, Mrs. Bessie Moore of Ashland. There were about 95 members present, including visitors from the Mt. Vernon and Fredericktown chapters. A two-course supper was served.

Mrs. Lizzie Ramsey of Mt. Vernon spent several days this week with relatives and friends here.

Miss Bessie Porter of West Carlisle is visiting Dr. and Mrs. Stonehocker.

Mr. and Mrs. Douglass Wilson and daughter, Mozelle, of Fredericktown spent Sunday with Mrs. Allie Rice.

Little Grace Mills of Perrytown is spending the week with her grandmother, Mrs. Sadie Mills.

Mrs. Ina Hove entertained the following at dinner Sunday: Mrs. Bessie Moore of Ashland and Mr. and Mrs. Levering of Fredericktown.

Lee Norris and wife of Ulca spent Saturday with the former's brother, Frank Norris.

Mr. and Mrs. Harper Woods of Gambler, Mr. and Mrs. Laird Ashcraft, Mr. and Mrs. Carl Pipes and Mr. and Mrs. Carl Hull spent Sunday with Mr. and Mrs. William Beckley.

Walter Hess returned to his work at Mt. Vernon Monday after spending several days at his home here.

Mrs. Allie Hall and daughters, Velma and Dorothy, spent Friday with Mrs. Zora Hayes, near Mt. Zion.

Mrs. Grace Tilton of Martinsburg visited her sister, Mrs. Lena Porterfield, last week.

Mrs. Rebecca Stricker returned home Monday after spending a week with her son, Milton, near Dennis.

Clarence Harris and family spent Sunday with Grover Harris and wife.

Wess Davison and wife of Newark spent Saturday night with the former's brother, Melvin Davison.

# Are You One of Them?

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago,
